Re: February Monthly Report (1/01/00 - 1/31/00)

Dear Mr. Ciaraldi:

In response to your letter not dated, I do not understand what you are talking about.

In reviewing the original letter received from Mr. Davis dated July 19th he referenced an amended 1999 February Monthly Report dated October 27, 1999. This amended report did not pertain to the 2000 February Monthly Report. I believe the mix up is due to the fact that every year we use the same event codes and since on the 2000 report we showed event G1 as revised on Schedule H2 he thought we were revising the previous (1999) G1. This was just a typing error. We corrected this on our amended report.

If this explanation does not clear this up please be more specific in what you want.

If you need any additional information or further clarification, please feel free to contact me at 202-863-8755.

Sincerely,

Pat Huyek
Director of Accounting

Reference: Amended February Monthly Report (1/1/00-1/31/00), dated 08/08/00

Dear Mr. Poitevint:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your amended report appears to disclose activity within two distinctly different reporting periods. The summary page of your amended report reflects the coverage dates and activity for your committee's July Monthly Report (06/01/2000 - 06/30/2000). However, the cover letter and supporting schedules H1, H4 and B, supplied with this amendment, reflect activity within your committee's February Monthly Report (01/01/2000 - 01/31/2000). Please amend your report(s) to clarify this apparent discrepancy.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
