Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

1. On Schedule F of a previous report (the 2009 May Monthly Report (4/1/09-4/30/09)), you disclosed two payments to Garner Printing, totaling \$2,687.71. This obligation(s), however, has been included on Schedule D of this report as still being outstanding. Please amend your report to clarify whether this is a new debt or the same debt paid off previously and included on Schedule D for Line 10 of the Summary Page. All debts and obligations only need to be disclosed until extinguished. 11 CFR §104.11

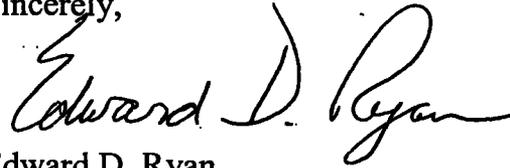

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather
