I am writing in response to the request for additional information dated October 3, 2016, and pursuant to my telephone conversation today with Mr. Fortkiewicz regarding that request.

The Libertarian Party of Michigan Executive Committee, Inc., is the designated state political party affiliate of the Libertarian National Committee, Inc., for the state of Michigan, and has been for many years, with responsibility for placing the Libertarian presidential candidate and Congressional candidates on the ballot in Michigan. Recently, we became aware that the FEC would not recognize that status unless we made a formal request for it to do so. On September 28, 2016, we filed with the FEC an advisory opinion request for recognition of our status as a qualified state political party committee, and we understand our request is pending with the FEC.

Please contact me if you need any further additional information.

Very truly yours,

William W. Hall, Assistant Treasurer
