To Whom It May Concern:

We are in receipt of the Commission's above referenced letter. Please see below for our complete response.

Our committee has raised funds that exceed the \$315,240.45 for the Primary election and \$48,400 for the General election reported on the Form 3Z-1 during this reporting period and ones previous. But, these figures do represent all of the funds raised for the 2006 cycle that should be reported on the Form 3Z-1. The remaining portion is for the 2004 cycle.

We have continued to raise monies to retire debt owed by our committee and, since these funds are for the 2004 cycle and not the 2006 cycle, they were not included on the Form 3Z-1. I believe this is the cause of the Commission's letter. All funds received for debt retirement have been reported as either "Primary Debt" or "Primary Run-Off Debt" as opposed to simply Primary and General that we are utilizing for 2006 contributions.

I trust this clarifies our report and completes the public record. Please do not hesitate to contact us if any further information is needed.

Thank you,

Westmoreland for Congress
