FEC FORM 3X
(Rev. 12/2004)

A. Form/Schedule : **F3XN**

Transaction ID :

Any transfers to the Non-federal account reported on Schedule B supporting line 22 were not in any way used in connection with any federal election, or any federal candidate, or any activities that qualify as Federal Election Activity. Rather, these transferred funds were utilized solely in connection with state and non-federal candidates and activities. The employees reported on H4 do not spend more than 25% of their time on federal election activity and therefore are not subject to 11 CFR 300.33(d)(2). The committee does not use any national party transfers to fund Federal Election Activity. The party utilizes a strict accounting method to ensure that national party transfers are being used only for permissible administrative and overhead expenses. This accounting method also guarantees that all Federal Election Activity is being funded by contributions raised under the limitations and prohibitions of the Federal Election Campaign Act, as amended. The committee maintains a separate Levin account which was established solely for the receipt of Levin funds for Federal Election Activity according to 11 CFR 300.30. The payments to individuals for office cleaning and computer consulting reported on H4 are not employees of the committee and therefore are not subject to 11 CFR 300.33(d)(2). The phrase Voter registration table in the purpose field on H6 is generic in nature and does not reference any federal candidate or any other Federal Election Activity. The individuals who maintain these tables are not employees of the committee and therefore not subject to 11 CFR 300.33(d)(2).
