Reference: Amendment of Reports dated October 1, 2006 through April 30, 2009

As a result of the election of a new Party Chairman, we conducted an extensive internal audit of all Committee business and records. This includes FEC filings, and bank ledgers.

Consequently, the Massachusetts Republican State Committee is in the process of amending Reports dated from January 1, 2006 through April 30, 2009 due to discovery of inaccurate reports. When reconciling banking records with FEC reports, we found a continuing discrepancy stemming from 2003. While there was an apparent attempt to correct this in 2004, it seems a long-term software incompatibility issue has caused this discrepancy to remain.

Therefore, we are expeditiously amending reports for purposes of historic and ongoing accuracy, and have taken action to correct the software compatibility problem. Once amended, all reports will be accurate and FEC reports will reflect actual cash on hand as identified in our bank statements.

We hope to have all inaccuracies reconciled before the next filing deadline. In the meantime, we are available to answer any questions or furnish any additional information you require. Please contact Lyndsay Jones at 617-523-5005 x234 with any further questions.

Thank you for your patience as we transition to a new Chair at the Committee.
