Dear Ms. Deutsch:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your Amended Statement of Organization, received 8/26/02, states that your committee is a principal campaign committee. A principal campaign committee is a political committee designated and authorized by a candidate pursuant to 11 CFR §101.1.

If your committee is a principal campaign committee, you will need to amend your Statement of Organization providing the candidate's name and address, party affiliation and office sought, and the District and State in which the office is sought in accordance with 11 CFR §102.2.

If your committee is not a principal campaign committee, please amend your Statement of Organization to disclose the appropriate type of committee on Line 5.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designation and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
