REFERENCE: AMENDED JULY QUARTERLY REPORT (05/26/2022 - 06/30/2022), RECEIVED 08/13/2022

Dear T D Robertson,

This statement is in response to the Commission's letter to the Committee dated May 8, 2023, regarding three (3) items on the Amended July 2022 Quarterly Report (the "Report").

First, the Commission's letter requests clarification regarding five (5) apparent "last minute" contributions reported on the Report, but which appear not to have been disclosed on a 48-Hour Notice. One (1) of these contribution was disclosed on a 48-Hour Notice, but the 48-Hour Notice disclosed the wrong amount due to a clerical error. This will be corrected on an Amended 48-Hour Notice being filed concurrently with this response. Four (4) of these contributions were inadvertently omitted from the Committee's routine 48-Hour Notice reports due to a clerical error. These contributions were disclosed on Amended 48-Hour Notices filed on August 13, 2022.

Second, the Commission's letter requests clarification regarding one (1) "last minute" contribution that was disclosed on a 48-Hour Notice, but which does not appear to be disclosed on the Original Report. This contribution did not appear on Schedule A of the Original Report due to a software upload issue. The Committee has fixed this technological issue and will disclose the contribution on the Amended Report being filed concurrently with this response.

Third, the Commission's letter requests clarification regarding one (1) "last minute" contribution that was disclosed on a 48-Hour Notice, but which appears to have been only partially disclosed on the Original Report. This contribution was disclosed on the original 48-Hour Notice with the wrong amount due to a clerical error. The correct amount is reflected on the Amended 48-Hour Notice filed on August 13, 2022 (RPT ID: FEC-1623701).

Please feel free to contact us if you have any further questions.

Sincerely,

Stacy E. Wiggins
