RE: Planned Parenthood Advocates Mar Monte (ID# C90007311) ? Year-End Report (10/1/12 ? 12/31/12)

Dear Mr. Matheson,

We are in receipt of your letter dated May 29, 2013 regarding the above referenced Report of Independent Expenditures Made and Contributions Received (FEC Form 5). Please accept this submission as a full response to your request for additional information.

1.Schedule 5-A

Your letter requests additional information regarding any contributors who made donations in excess of \$200 to fund the independent expenditures disclosed on our report. Federal regulations require a person filing FEC Form 5 to identify each person who made a contribution in excess of \$200 to the person filing the report if the contribution was made for the purpose of furthering the reported independent expenditure. (11 CFR 109.10(e)(1)(vi).) Our organization did not receive any contributions in excess of \$200 for the purpose of making the reported independent expenditures. As a result, our year end filing is accurate and no amendment is required.

2.24 Hour Reports vs. Quarterly Report

Your letter requests additional information regarding independent expenditures disclosed on 24 Hour notices and our quarterly report, specifically those that appear on one but not both filings. Please be advised that the amounts reported on the 24 hour reports were the best estimates that our organization could provide at the time the filings were required with the information available at that time. Once we were able to reconcile all the campaign activity for the election we were able to disclose the correct amounts and dates on the year end report. Per your conversation with our outside campaign counsel, we understand that providing this explanation of the difference between the estimated independent expenditures on the 24 hour reports and the actual independent expenditures on the quarterly reports will constitute an adequate response to your request for additional information.

We trust this correspondence addresses all of the issues raised in your letter. Please contact our campaign counsel, Diane Fishburn or Lacey Keys (916/442-2952), with any additional questions or concerns.

Sincerely,

Liz Figueroa
