Hello Mr. Garr,

Regarding your letter of 3/4/2013 to Committee # C00325464.

Committee has a new treasurer and former treasurer did not turn over any correspondence indicating that quarterly filing was to be the norm. We were actually going to request it anyway since we have so little activity. An April quarterly report, covering the dates from February 1, 2013 to March 31, 2013 has been filed as of 4/20 and subsequent reports will be filed quarterly unless FEA activity increases to the point where monthly reports are required.

Regards,

David Wynne
Treasurer Tuolumne County Republican Party.
