BEST EFFORTS: Our original solicitation includes a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information. If the information is not provided, we make one follow-up, stand-alone effort to obtain this information, regardless of whether the contribution was solicited or not. This effort occurs no later than 30 days after receipt of the contribution and is in the form of a written request. The follow-up request clearly asks for the missing information, without soliciting a contribution; informs the contributor of the requirements of federal law for reporting such information; and is in the form of a postage-paid, pre-addressed postcard. Follow-up phone calls are also made to try to obtain the information. INFORMATION REQUESTED: indicates that our best efforts procedure has been followed. If self-employed, or partial work information is listed, it is the information that was provided by the contributor in response to our request.
