Reference: Amended March Monthly Report (2/01/09-2/28/09), received 4/22/09

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 7 items:

1. You have made disbursements for "FEA - exempt mass mail" which you have characterized as exempt activities. In order for an activity to be classified as exempt, it must meet the following conditions: (1) For slate cards and sample ballots: it names at least three candidates running for election to any public office, it is not distributed through public political advertising (including broadcast media, newspapers, magazines, and billboards), the content is limited to the identification of each candidate, the office or position currently held, the office sought and party affiliation, and the costs allocable to federal candidates are paid with permissible funds; (2) For campaign materials: the activity is conducted on behalf of the party's nominees in the general election, the materials are distributed by volunteers--not through public political advertising, the party committee does not use materials purchased by the national party committee or money transferred from the national committee to purchase materials, the party committee does not use funds designated for a particular federal candidate, a payment from a non-federal campaign to help pay for the materials does not exceed its allocated share of the expenses, and the costs allocable to federal candidates are paid with permissible funds; (3) For voter drives: the activity is on behalf of the party's Presidential and Vice Presidential nominees, the activity does not involve the use of public political

advertising such as television, radio, newspapers, magazines, billboards or direct mail, phone banks are operated by volunteers (although paid professionals may design the system, develop calling instructions and train supervisors), the party committee does not use funds transferred by the national party committee for voter drive activities, the party committee does not use funds designated for a particular federal candidate, and the cost allocable to federal candidates are paid with permissible funds. 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, and if any portion of the expenditures were made on behalf of specifically identified candidates, this amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please provide the Commission with a more detailed explanation of these activities.

2. Schedule B supporting Line 30(b) of your report discloses a payment(s) for "FEA - exempt mass mail" which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

3. On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category.

Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

4. Schedule H4 supporting Line 21(a) of your report discloses \$1,605.51 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity.

5. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "admin." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

6. Schedule H4 of your report discloses reimbursements to individuals for "admin." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

7. Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which

reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

**Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated.
