Dear Mr. McAllister:

I am in receipt of your letter dated January 8, 2010 requesting additional information for our submission for the 2009 Mid-Year Report. However, I did not receive your letter until February 16 which is four days after the response due date of February 12 as stated in the letter. Once I received the letter, we reviewed the matter and immediately responded by submitting an amended return on February 17.

While it does not completely explain why the letter took over a month to reach me, I would hope that the Commission would take into account the several recent snow storms that hit the DC area. The storms resulted in an understandable significant delay in postal service during early February. Please do not hesitate to contact me for any additional information.

Thank you.

Sincerely,

Denise Clark
