Dominick:

Hopefully I have corrected all the reports. They should have the right office sought & district. The totals should also correspond. Aristotle is looking into the reason the totals got off. The totals have been added and cross footed. Thanks for all your help.

Sincerely,

Dear Ms. De La Cruz:

On February 14, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your March 7, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Please amend Schedule B supporting Line 23 by providing the office sought (House/Senate/President) including state and congressional district, if applicable, for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

An adequate response must be received at the Commission by March 28, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by

this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Dominick Ciaraldi on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
