

In response to the Request For Additional Information dated March 21, 2008, in reference to the 2007 Year End Report, the PAC is filing an Amended Year End Report (7/1/07 - 12/31/07), Amended February Monthly Report (1/1/08 - 1/31/08) and an Amended March Monthly Report (2/1/08 - 2/29/08) to correct the Occupation "AHIPStaff" with a complete title on Schedule A supporting Line 11ai. The PAC will report this information in subsequent filings. Please note that the PAC is aware that it may disclose payroll receipts by disclosing a single total for the reporting period along with the amount deducted per pay period for each contributor. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately, pursuant to 11 CFR 104.8(b), more accurately discloses how the receipts are collected. Lastly, FEC Campaign Finance Analyst Julie Flemming confirmed on April 4, 2008, in a telephone call with Jessica Talbert, PAC Administrator for AHIP PAC, that amendments to AHIP PAC reports with detailed descriptions of each AHIP employee's individual job title (instead of AHIPStaff) and an explanation acknowledging that AHIP PAC successfully meets the legal requirements for reporting payroll deduction contributions would sufficiently respond to the Request For Additional Information. Ms. Flemming also confirmed that item one of the Request For Additional Information did not require any additional action, but was simply a restatement of the legal requirements in connection with the identification of AHIPStaff discussed in item two.
