REFERENCE: AMENDED APRIL MONTHLY REPORT (03/01/2012-03/31/2012),  
RECEIVED 02/04/2013

Dear Mr. Stoetzer,

This responds to your letter dated February 27, 2013 regarding the amended monthly report referenced above. I have attached a copy of your letter for your convenience.

1. Your letter notes that Schedule B of this amended report discloses contributions to one or more candidates that exceed the \$5,000 per candidate per election contribution limit. This is a result of the incorrect designation of these contributions as contributions to the candidate's primary election campaign, when in fact they should have been designated as contributions to the candidate's general election campaign, as explained below. As explained below, we will file an amended report correctly designating these contributions for the candidate's general election. When these contributions are correctly designated they will not exceed any contribution limits.

2. Your letter notes that Schedule B supporting Line 23 of this amended report discloses contributions to candidates for the 2012 Primary election; however the funds were disbursed after the date of that election. Upon investigation, we learned that these contributions were incorrectly designated in our initial report as contributions to the candidates' Primary election campaign, when they should have been reported as contributions to the candidates' General election campaigns.

We have reviewed the candidates' reports disclosing their receipt of these contributions, and in each case they report them as contributions to their General election campaigns. Accordingly, our initial report incorrectly designated the contributions as for the Primary election, but the candidates correctly reported them as for the General campaign.

We will file an amended report designating these contributions as contributions to the candidates' General election campaigns.

Thank you for bringing these issues to our attention. We take very seriously our obligation to report all transaction of the Political Action Fund fully and accurately. We appreciate your efforts to assist us in our ongoing efforts to fulfill this obligation. If you have further questions or comments about this report, don't hesitate to contact me or my assistant Russ Bargmann, at the address or phone number listed above.

Sincerely,

William E. Adams, Treasurer

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) prohibits a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If any contribution you made exceeds the limits, you must request a refund of the excessive amount or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund of the excessive amount. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on

Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. (11 CFR §110.1(b))

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

2. Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2012 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. (11 CFR §§110.1(b)(3) and 110.2(b)(3))

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or

redesignating the contribution(s) will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.
