Reference: Amended Statement of Organization, received 5/9/06

Dear Ms. Greene:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-It appears the name of your committee has changed to reflect an apparent change in your connected organization. However, your amended Statement of Organization fails to identify the name of the new connected organization (11 CFR §102.2(a)(1)(ii)), the type of connected organization, and any affiliated committees. Moreover, in accordance with 2 U.S.C. §432(e)(5), the name of any separate segregated fund is required to include the entire name of its connected organization and any abbreviation within its title. Please amend your Statement of Organization to include the omitted information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
