RE: America's Next Generation (Committee Identification Number C00491373)
Amended July Quarterly Report for the period March 1, 2013 through June 30, 2013 filed
March 21, 2013 (FEC-862611)

Dear Mr. Stoetzer:

This letter is sent in response to your request for additional information dated April 15, 2013.

The increase in Schedule D, Line 10 - Debts and Obligations Owed by the Committee arose from an examination of invoices that were created by the vendor and received by the Committee after the filing date of the July Quarterly Report. These invoices were dated in July, 2013 and referenced work performed in June, 2013. Under the Committee's contract with the vendor, the charge for this work was not calculated until the invoices were created. In accordance with accrual basis accounting, the Committee included these charges on the amended July Quarterly Report.

Please contact me at lance@universalmarketingindustries.com if you have any questions. Thank you.

Sincerely,

Lance Davis
