REFERENCE: MAY MONTHLY REPORT (04/01/2014-04/30/2014)

Dear Ms. Benitz,

This statement is in response to the Commission's letter dated June 3, 2014. The Commission requested additional information on one item.

The Commission requested clarification regarding a Bank Adjustment of \$32,983.79 that was disclosed on Schedule B supporting Line 29 of the Committee's May Monthly Report (04/01/2014-04/30/2014). This Bank Adjustment was disclosed to reflect a discrepancy between the report and the amount in the bank. This discrepancy was found during a Committee review. The Committee called the Reports Analysis Division (RAD) to bring this discrepancy to their attention and to inquire about how to reflect an adjusting entry on the report. The Committee was informed by RAD how to disclose a Bank Adjustment, which it subsequently did on the May Monthly Report. As the Committee continues to review its records regarding the source of the discrepancy, it will amend any reports accordingly as soon as more information is obtained.

Please do not hesitate to contact us if you need further information.

Sincerely,

Illinois Republican Party
