

This is to inform FEC that I'm having problems with F5 in reporting that my FEC registration was completed this June (as amended on 5/16/11) and I've not being involved in PAC activities in regard to expenditures and contributions for the less than 30 days upon completion of my FEC registration. Therefore I've NO Expenditures and No contributions to report toward the July 20, Mid Year Reporting Date. I will file by mail, copy of F5 with a statement of NO Material Change during the month of June upon completion of my FEC PAC registration: The Global Diaspora PAC, Incorporated (FEC ID # C00493510).

Thanks For Your Understanding and Cooperation, Amb. Dr. de Cassagnol
