Mr. Michael Kasper, Treasurer

Response Due Date:

Identification Number: C00167015

Reference: August Monthly Report (7/1/10-7/31/10)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Blue Cross Blue Shield insurance," "Health insurance reimbursement," "Insurance policy," "Payroll taxes" and "Wages." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

2. Schedule H4 of your report discloses an apparent disbursement to "ASDC." Please be advised that contributions and transfers to federal committees and/or non-federal committees/organizations do not qualify as shared expenses to be allocated between your federal and non-federal accounts. Transfers to affiliated committees should be disclosed on Schedule B supporting Line 22 of the Detailed Summary Page, contributions to federal committees should be disclosed on a Schedule B supporting Line 23 of the Detailed Summary Page and contributions to non-federal committees/organizations on a separate Schedule B supporting Line 29. Any reimbursement from your committee's non-federal account for any portion of this activity is not permissible. 11 CFR §102.5(a)(1)(i)

The Commission recommends that you immediately transfer the funds received by your federal account, as reimbursement for the non-federal portion, back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

- Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Joint fundraising receipts should be properly disclosed on a separate Schedule(s) A, supporting Line(s) 12 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

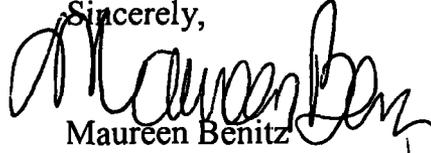

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
