In RE: NARAL Pro-Choice America PAC (C0079541)  
October Monthly Report (9/1/14 to 9/30/14)

Dear Mr. Holly:

This is in response to your letter of January 29, 2015 concerning the above referenced report for NARAL Pro-Choice America PAC. Your letter concerns the disclosure of occupation and employer information for itemized donors.

The committee has made and continues to make "best efforts" to collect and report the occupation and employer of its itemized donors. All solicitations, electronic or printed have a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information.

If the information is not provided follow up standalone efforts are made within 30 days, compliant with the FEC's "best practices" for reporting occupation and employer information, to obtain this information from the donor using both electronic and printed means.

The committee will review the results of these efforts already taken and, if warranted, file an amendment to the above referenced report.

It is hoped that the above is responsive to your concerns. Please be in touch should you have additional concerns or questions.

Sincerely,

Kimberly Robinson  
Treasurer  
NARAL Pro-Choice America
