**RE: Plasterers' and Cement Masons' Action Committee  
30-Day Post-General Election Report (10/14/04 - 11/22/04)  
FEC Identification No: C 00134742**

Dear Mr. Hartsock:

This letter is in response to your letter of April 13, 2005, regarding the above-referenced matter. Your letter raises a question with respect to a receipt identified on Schedule A of the above-referenced Committee's 30-Day Post General Election Report for the period October 14, 2004 through November 22, 2004. You indicate that according to the Commission's records, the organization identified as "Cement Masons Local 592 PAC" and as contributing \$5,000, is not registered with the Commission. You ask whether this is a prohibited contribution or a mischaracterized lawful contribution received from a collecting agent under 11 CFR §102.6. Cement Masons Local 592 PAC was indeed acting as a collecting agent for purposes of transmitting contributions to this Committee. Contributions were collected from several members of both the Committee's connected organization - Operative Plasterers' & Cement Masons' International Association of the United States and Canada, AFL-CIO - and our affiliate - Local 592 - and temporarily deposited in Local 592's non-federal account.

All individual contributions were collected within the 30-day period preceding their transmission to this Committee. No one contribution is over \$200 individually or in the aggregate for the year and thus no itemization is necessary.

Please contact the undersigned at (301) 470-4200 if you have any additional questions or need any additional information.

Very truly yours,

Patrick D. Finley  
General Secretary-Treasurer

RE: Cement Masons' Local 592 PAC  
Itemized Receipt dated October 28, 2004

Dear Mike,

This letter is in response to your letter dated April 13, 2005. Your review of the receipts reported by the "Plasterers' and Cement Masons' Action Committee" indicated that Cement Masons' Local 592 PAC maybe a separate segregated fund making expenditures to influence federal elections

This letter is to clarify the role of the Cement Masons' Local 592 PAC Fund in making disbursements to the Plasterers' and Cement Masons' Action Committee.

Cement Masons' Local 592 PAC acts as a collecting agent for voluntary contributions on behalf of their members and forwards these contributions to Plasterers' and Cement Masons' Action Committee. Plasterers and Cement Masons' Action Committee has spoken with you and is in the process of correcting their report to resolve this issue.

If you have any additional questions, please do not hesitate to contact me.

Very truly yours,
