RE: Community Change Voters, Committee ID: C00612820;  
2/11/2021 RFAI regarding Amended 12 Day Pre-General Report, Filed 12/1/2020

Dear Mr. Hinton,

I am writing as counsel to Community Change Voters (the Committee) in response to the Commissions February 11, 2020 request for additional information (RFAI) related to the 12 Day Pre-General Report filed by the Committee on December 1, 2020 (amending the report timely filed on October 12, 2020).

In the RFAI and attachment, you noted that on Schedule E of the Pre-General Report the Committee disclosed a \$5,000 independent expenditure in support of Joseph R. Biden with a dissemination date of October 1, 2020, and that the 48-hour report initially disclosing that independent expenditure was filed on October 9, 2020, which you say indicates the Committee may have failed to timely file a 48-hour report disclosing that independent expenditure.

The independent expenditure in question was timely reported. The \$5,000 independent expenditure noted in the attachment was the first independent expenditure the Committee disseminated subsequent to those disclosed in the 48-hour report the Committee filed on September 23. Accordingly, the Committee had no unreported independent expenditures at the time the \$5,000 expenditure was disseminated on October 1, and the Committee did not reach the \$10,000 aggregate threshold until the Committee disseminated an additional independent expenditure in support of Biden on October 9, 2020, as disclosed on the 48-hour report filed on that date (though not actually required to be filed until 48-hours later, on October 11, 2020).

I believe that this letter addresses the concerns raised in the above-referenced RFAI. If you have any further questions, please feel free to contact me at 202-328-3500.

Very truly yours,  
/s/ Richard Eisenberg  
Counsel to Community Change Voters
