RE: Mississippi Republican Party March Monthly Report

Dear Mr. Gibson:

We are in receipt of your letter of March 21 in which you request additional information regarding the above referenced report.

-Regarding the transfer from "Republican Party of Minnesota," they advised they reported this disbursement on their March Monthly 2001 report on Schedule B as "Other Disbursement, Refund of Unused inaugural tickets." They showed the check was dated 2/1/01 in the amount of \$2250.00; however, they showed on their report that the check was made payable to "Mississippi Inaugural Committee" when in fact the check was made payable to "Republican Party of Mississippi."

-We have again amended the above referenced report to show event year-to-date calculations for Administrative/Voter Drive. That report is FEC-30995 submitted electronically 4/4/02.

We feel this will adequately provide all the information you require. If you have further questions, however, please let us know.

Sincerely,

Carol Hardwick
Assistant Treasurer
