Dear Mr. Gibson:

This is in response to your letter dated May 12, which indicated that you had yet to receive an answer to your inquiry dated April 20, 1994, for our 1993 Year-End Report. Upon review of our files, I find that we did respond to your inquiry with a letter dated May 2, 1994.

I contacted Jennifer Wall today regarding this issue, and she suggested that I re-send the letter with an explanatory statement attached.

I apologize for the delay in getting this information to you. Thank you for your patience.

Sincerely,

Dear Ms. Wall:

This letter is to respond to your inquiry dated April 20, 1994 regarding our Year End Report covering the period from 7/1/93 to 12/31/93.

You asked for a Schedule H2 listing the allocation ratios for some Victory 92 items disclosed on our Schedule H4's. The H4's you refer to were used by us to report a list of outstanding debts as described on our Schedule D. We listed the debts in the manner that we did upon the advise of Mr. Ken Davis during a telephone conversation on January 24, 1994. Mr. Davis did not mention the need for a Schedule H2 since the purpose of the H4's was for detailing an outstanding debt. A brief note was added at the top of page 1 of 2, Schedule H4's detailing the Victory 92 items as outstanding debts.

If you are in need of a Schedule H2, please let me know as full disclosure and cooperation with the Federal Election Commission is of the utmost importance with the Nebraska Republican Party. Thank you.

Sincerely,

Tamara L. Schlueter
