This Committee responds to the two April 14, 2016, and three May 1, 2016 RFAs, with responses due May 19, 2016, and June 6, 2016, as follows: the expenditures at issue on each Form 24 or Schedule E referenced were not targeted at any particular state or set of states, except where specifically indicated. Instead, these were distributed nationally, with the goal of influencing the outcome of the 2016 GOP National Nominating Convention. Consistent with that goal, and with the Commission's proposed interpretive rules on reporting nationwide independent expenditures in presidential primary elections, the Committee reported these expenditures as being for the Convention, and not, as would be factually incorrect, for one or more states. Since none of the expenditures at issue were targeted at any particular state or set of states, except where specifically indicated, no amendments have been filed.
