

Melissa Meyer:

In regard to the additional disbursement of \$15,000 on our Amended October Monthly Report (and subsequently the Amended 12 Day Pre-General Report), the delivery date for check #3349 for the National Republican Congressional Committee (NRCC) was reported incorrectly. The disbursement was originally reported with a delivery date of 11/3/06. The disbursement should have been reported as 9/28/06. The amended October Report reflects the additional \$15,000 disbursement to the NRCC with a delivery date of 9/28/06.
