Reference: July Quarterly Report (4/1/98-6/30/98)

Dear Mr. Wade:

On December 2, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your December 15, 1998 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You state that you amended Line 31, Columns A and B for all 1998 reports. This Line is now blank on these reports since Line 21(a)(ii) discloses no non-federal allocable disbursements. Because there are no such disbursements on Line 21(a)(ii), the totals on Lines 30 and 31, Columns A and B should be the same. On your amended July Quarterly report, for example, Line 31, Columns A and B should equal the total on Line 30, Columns A and B (\$3,500 and \$15,252, respectively). Please amend your report to correct this discrepancy.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Steve Roane

on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson". The signature is fluid and cursive, with a prominent initial "J" and "G".
