Reference: Amended February Monthly Report (01/01/2013-01/31/2013).

Item 1: The difference in the amount of receipts originally reported and later amended is due to in-kind contributions for our 02/15/2013 Lincoln Day Fundraiser.

Second, receipts from Pyrix not received in a timely manor.

Third, a donation received for \$1000.00 for George P Bush was erroneously entered as a Federal donation but should have been entered as a non federal donation and was corrected.

this donation was deposited correctly in the non federal account.

The difference in the amount of disbursements originally reported and later amended is do to in-kind contributions for our 02/15/2013 Lincoln Day Fundraiser and disbursements not know at the time.

Item 2: Regarding the two Smiley's Studio in-kind gift certificates were for our 2013 Lincoln Day Fundraiser and were erroneously enter. Since Texas allows local parties to accept corporate contrubutionsl should have reported these 2 items on the corporated funds report to the Texas Ethics Commisiion.

This was an in-kind contribution for an auction no money went into the federal account. These items did not even sell at the auction. I have amended the (01/01/2013-01/31/2013 for these two items.

Please except my sincere apologies for these acceptions, it was my first Lincoln day fundraiser.
