Dear Ms. Senger:

RE: Volunteer PAC
C00341743
30 Day Pre-General Report (10/14/04 to 11/22/04)

- All expenditures in question have been further explained in order to verify that they were not made on behalf of any federal candidates.

- The totals listed on Lines 7, 21(b), 21(c), 23, 29, 31, and 32, Column B were wrong in the previous filing of this report due to the fact that these same totals were wrong in the prior reporting period. However, these totals were corrected in FEC-156606, thereby automatically correcting the totals in FEC-152093. These same totals are reflected in the amendment accompanying this document.
