Dear Ms. Lawler:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 5(e) indicates that your committee is a separate segregated fund. A separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association.

If your committee is a separate segregated fund, then an amended Statement of Organization should be submitted which identifies the connected organization (11 CFR §102.2(a)(1)(ii)) and the type of connected organization. Moreover, in accordance with 2 U.S.C. §432(e)(5), the name of any separate segregated fund is required to include the name of its connected organization. This includes any abbreviation within its title.

If your committee is not a separate segregated fund, then an amended Statement of Organization should be submitted, which indicates the appropriate type of committee. 11 CFR §102.2(a)(1)(i)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply

with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
