RQ-2

June 30, 2006

Mr. Lyle Beckwith, Treasurer
NACS Political Action Committee
1600 Duke Street
Alexandria, VA 22314

Response Due Date:
July 31, 2006

Identification Number: C00126763

Reference: Amended April Quarterly Report (1/1/06-3/31/06), received 5/25/06

Dear Mr. Beckwith:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 17 of your report discloses one or more receipts totaling \$676.73 from the "SunTrust Capital Markets." Please amend your report to clarify the nature of these receipts.

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2006 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

2006091016092

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

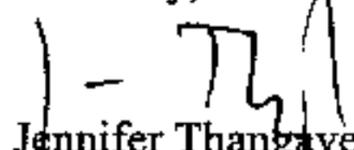

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule A supporting Line 11(a)(i) of your report discloses contributions received through what appears to be a payroll deduction plan. Please amend your report to disclose the frequency of deduction and the amount deducted per pay period. 11 CFR §104.8(b) Please refer to the enclosed sample of properly reported payroll deductions.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1143.

Sincerely,

Jennifer Thangavelu

Categorizing Receipts

Before beginning to itemize the committee's receipts, separate them into the different categories listed on the Detailed Summary Page ("Contributions from Individuals," "Contributions from Political Committees," etc.; an illustration of a completed Detailed Summary Page appears on pages 54-55). The receipts in each category must be itemized on a separate Schedule A designated for that category.

Indicate the type of receipt itemized on a particular Schedule A by checking the box for the corresponding line number from the Detailed Summary Page where indicated in the upper right corner of the schedule. The appropriate category of receipt may also be written at the top of each page.

Some categories may require several pages. The total for each category should be entered on the bottom line of the last page for that category.

Itemized Information

For each itemized contribution, provide:

- The full name and address (including zip code) of the contributor or other source;
- The name of the contributor's employer (if the contributor is an individual);

- The contributor's occupation (if the contributor is an individual);
- The date of receipt;
- The amount; and
- The aggregate year-to-date total of all receipts (within the same category) from the same source. 104.3(a)(3). The space indicating the election for which an itemized contribution was made ("Receipt For") does not apply to SSFs; leave those boxes blank.

Special "Employer" Information

If a contributor is self-employed, that should be recorded in the Employer space. If a contributor is not employed, the Employer space should be left blank, but the Occupation space should always be completed (e.g., "unemployed," "retired," "homemaker").

Best Efforts Required

Note that committees and their treasurers must use "best efforts" to obtain and report the information listed above. See page 36 for more information.

Payroll Deductions

Once an individual's deductions aggregate over \$200 in a calendar year, report the total amount deducted from the donor's paychecks during the reporting period on Schedule A. In parentheses indicate the amount that was deducted each pay period. Instead of stating a specific date of receipt, type "payroll deduction" under "Date." The other itemized information, including the year-to-date total, must be completed for each donor. 104.8(b).

EXAMPLE: During an election year, a corporate manager authorizes her employer to deduct \$15 per pay period (each pay period is two weeks) for the company's SSF. The SSF, which files FEC reports on a quarterly schedule, includes the manager's first-quarter contributions (\$90 for six pay periods) as "unitemized contributions" on Line 11(a)(ii) in the April quarterly report.

By June 30 (the closing date for the July quarterly report), 13 pay periods have passed, and the manager's aggregate contributions are \$195—still below the \$200 itemization threshold. The manager's second-quarter contributions again are included in "unitemized contributions" in the July report.

By September 30 (the closing date for the October quarterly report), 19 pay periods have passed, and the manager's contributions reach \$285. Now the committee itemizes the total contributions received from the manager during the third quarter (\$90), providing the year-to-date total in the appropriate space. (See Item A in the illustration above.)
