1-Our committee checked the percentage that refers to the 2005-2006 calendar year on schedule H1. 2-Payments for salaries and wages that spent more than 25 percent of their time on federal election activity in the month were amended. In the month of December, only two individuals spent more than 25 percent of their time on federal activity. 3-The advertising disclosed on line 21a does not refer to any clearly identified candidate for federal office nor does it promote, support, attack or oppose any candidates. 4-Schedule H2 was filed by mistake in a clerical error. It has now been removed on this amendment. There were no exempt activities or events during this period therefore there are no corresponding disbursements to be reflected on schedule h4.
