Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule H4 discloses 100% non-federal activity. Please be advised that by definition, this activity does not qualify as an expense(s) that can be allocated between your federal and non-federal accounts. If the disbursements were for operating expenditures paid for with 100% federal funds, they should be itemized on Schedule B for Line 21(b) of the Detailed Summary Page. If these expenses were permissibly paid for with 100% non-federal funds, they should not be disclosed on Schedule H4. Further, any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. (11 CFR §102.5(a)(1)(i)) Please amend your report to clarify this discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports)
