Dear Mr. Rigney:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 discloses contributions to federal candidates for which no election designation has been provided. Please note that if no designation is included in your report, the contributions will be attributed to the next upcoming election for the recipient candidate. Thus, for future reporting purposes, it is in your committee's interest to designate the appropriate election in order to avoid the appearance of excessive contributions made to federal candidates by your committee.

-For your information, each category on the Detailed Summary Page for which your committee discloses activity must have a separate schedule. Please note this for future filings.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

Andrea Wilkens
