ADDITIONAL TERMS OF THIS SECURITY AGREEMENT

GENERALLY - This agreement secures this note and any other debt I have with you, now or later. However, it will not secure other debts if you fail with respect to such other debts, to make any required disclosure about this security agreement or if you fail to give any required notice of the right of rescission. If property described in this agreement is located in another state, this agreement may also, in some circumstances, be governed by the law of the state in which the Property is located. **OWNERSHIP AND DUTIES TOWARD PROPERTY** - I represent that I own all of the Property, or to the extent this is a purchase money security interest I will acquire ownership of the Property with the proceeds of the loan. I will defend it against any other claim. Your claim to the Property is ahead of the claims of any other creditor. I agree to do whatever you require to protect your security interest and to keep your claim in the Property ahead of the claims of other creditors. I will not do anything to harm your position.

I will keep books, records and accounts about the Property and my business in general. I will let you examine my records at any reasonable time. I will prepare any report or accounting you request, which deals with the Property.

I will keep the Property in my possession and will keep it in good repair and use it only for the purpose(s) described on page 1 of this agreement. I will not change this specified use without your express written permission. I represent that I am the original owner of the Property and, if I am not, that I have provided you with a list of prior owners of the Property.

I will keep the Property at my address listed on page 1 of this agreement, unless we agree I may keep it in another location. If the Property is to be used in another state, I will give you a list of those states. I will not try to sell the Property without your permission or unless I receive your written permission to do so. If I sell the Property, I will have the payment made payable to the order of you and me.

You may demand immediate payment of the debt(s) if the debtor is not a natural person and without your prior written consent: (1) a beneficial interest in the debtor is sold or transferred, or (2) there is a change in either the identity or number of members of a partnership, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation.

I will pay all taxes and charges on the Property as they become due. You have the right of reasonable access in order to inspect the Property. I will immediately inform you of any loss or damage to the Property.

If I fail to perform any of my duties under this security agreement, or any mortgage, deed of trust, lien or other security interest, you may without notice to me perform the duties or cause them to be performed. Your right to perform for me shall not create an obligation to perform and your failure to perform will not preclude you from exercising any of your other rights under the law or this security agreement.

PURCHASE MONEY SECURITY INTEREST - For the sole purpose of determining the extent of a purchase money security interest arising under this security agreement: (a) payments on any nonpurchase money loan also secured by this agreement will not be deemed to apply to the Purchase Money Loan, and (b) payments on the Purchase Money Loan will be deemed to apply first to the nonpurchase money portion of the loan, if any, and then to the purchase money obligations in the order which the items of collateral were acquired or if acquired at the same time, in the order selected by you. No security interest will be terminated by application of this formula. "Purchase Money Loan" means any loan the proceeds of which, in whole or in part, are used to acquire any collateral securing the loan and all extensions, renewals, consolidations and refinancing of such loan.

PAYMENTS BY LENDER - You are authorized to pay, on my behalf, charges I am or may become obligated to pay to preserve or protect the secured property (such as property insurance premiums). You may treat those payments as advances and add them to the unpaid principal under the note secured by this agreement or you may demand immediate payment of the amount advanced.

INSURANCE - I agree to buy insurance on the Property against the risks and for the amounts you require and to furnish you continuing proof of coverage. I will have the insurance company name you as loss payee on [illegible] policy. You may require added security if you agree that insurance proceeds may be used to repair or replace the Property. I will [illegible] a firm licensed to do business in the state where you are located. The firm will be reasonably acceptable to you. The insurance will last until the Property is released from this agreement. If I fail to buy or maintain the insurance or fail to name you as loss payee, you may purchase it yourself.

WARRANTIES AND REPRESENTATIONS - If this agreement includes accounts, I will not settle any account for less than its full value without your written permission. I will collect all accounts until you tell me otherwise. I will keep the proceeds from all the accounts and any goods which are returned to me or which I take back in trade for you. I will not [illegible] them with any other property of mine. I will deliver them to you at your request. If you ask me to pay you the full price on any returned items or items retaken by myself, I will do so.

If this agreement covers inventory, I will not dispose of it except in my ordinary course of business at the fair market value for the Property, or at a minimum price established between you and me.

If this agreement covers farm products, I will provide you, at your request, a written list of the buyers, commission merchants or selling agents to or through whom I may sell my farm products. In addition to those parties named on this written list, I authorize you to notify at your sole discretion any additional parties regarding your security interest in my farm products. I remain subject to all applicable penalties for selling my farm products in violation of my agreement with you and the Food Security Act. In this paragraph the terms farm products, buyers, commission merchants and selling agents have the meanings given to them in the Federal Food Security Act of 1985.

REMEDIES - I will be in default on this security agreement if I am in default on any note this agreement secures or if I fail to keep any promise contained in the terms of this agreement. If I default, you have all of the rights and remedies provided in the note and under the Uniform Commercial Code. You may require me to make the secured property available to you at a place which is reasonably convenient. You may take possession of the secured property and sell it as provided by law. The proceeds will be applied first to your expenses and then to the debt. I agree that 10 days written notice sent to my last known address by first class mail will be reasonable notice under the Uniform Commercial Code. My current address is on page 1. I agree to inform you in writing of any change of my address.

FILING - A carbon, photographic or other reproduction of this security agreement or the financing statement covering the Property described in this agreement may be used as a financing statement where allowed by law. Where permitted by law, you may file a financing statement which does not contain my signature, covering the Property secured by this agreement.

Any person who signs within this box does so to give you a security interest in the Property described on this page. This person does not promise to pay the note. "I" as used in this security agreement will include the borrower and any person who signs within this box.

ADDITIONAL TERMS OF THE NOTE

DEFINITIONS - As used on pages 1 and 2, "I," "me" and "my" means the terms that apply to this loan. "I," "me" or "my" means each Borrower who signs this note and each other person or legal entity (including guarantors, endorsers, and sureties) who agrees to pay this note (together referred to as "us"). "You" or "your" means the Lender and our successors and assigns.

APPLICABLE LAW - The law of the state in which you are located will govern this agreement. Any term of this agreement which is contrary to applicable law will not be effective, unless the law permits you and me to agree to such a variation. If any provision of this agreement cannot be enforced according to its terms, this fact will not affect the enforceability of the remainder of this agreement. No modification of this agreement may be made without your express written consent. Time is of the essence in this agreement.

PAYMENTS - Each payment I make on this note will first reduce the amount I owe you for charges which are neither interest nor principal. The remainder of each payment will then reduce accrued unpaid interest, and then unpaid principal. If you and I agree to a different application of payments, we will describe our agreement on this note. I may prepay a part of, or the entire balance of the loan without penalty, unless we specify to the contrary on this note. Any partial prepayment will not excuse or reduce any later scheduled payment until this note is paid in full. Unless, when I make the prepayment, you and I agree in writing to the contrary,

INTEREST - Interest accrues on the principal remaining unpaid from time to time, until paid in full. If I receive the principal in more than one advance, each advance will start to earn interest only when I receive the advance. The interest rate in effect on this note at any given time will apply to the entire principal sum outstanding at that time. Notwithstanding anything to the contrary, I do not agree to pay and you do not intend to charge any rate of interest that is higher than the maximum rate of interest you could charge under applicable law for the extension of credit that is agreed to in this note (either before or after maturity). If any notice of interest accrual is sent and is in error, we mutually agree to correct it, and if you actually collect more interest than allowed by law and this agreement, you agree to refund it to me.

INDEX RATE - The index will serve only as a device for setting the interest rate on this note. You do not guarantee by selecting this index, or the margin, that the interest rate on this note will be the same rate you charge on any other loans or class of loans you make to me or other borrowers.

POST MATURITY RATE - For purposes of deciding when the "Post Maturity Rate" (shown on page 1) applies, the term "maturity" means the date of the last scheduled payment (indicated on page 1 of the note) or the date you accelerate payment on the note, whichever is earlier.

SINGLE ADVANCE LOANS - If this is a single advance loan, you and I expect that you will make only one advance of principal. However, you may add other amounts to the principal if you make any payments described in the "PAYMENTS BY LENDER" paragraph on page 2.

MULTIPLE ADVANCE LOANS - If this is a multiple advance loan, you and I expect that you will make more than one advance of principal. If this loan is closed end credit, repaying a part of the principal will not entitle me to receive additional credit.

SET-OFF - I agree that you may set off any amount due and payable under this note against any right I have to receive money from you.

"Right to receive money from you" means:

(1) any deposit account balance I have with you;

(2) any money owed to me on an item presented to you or in your possession for collection or exchange; and

(3) any repurchase agreement or other nondeposit obligation.

"Any amount due and payable under this note" means the total amount of which you are entitled to demand payment under the terms of this note at the time you set off. This total includes any balance due date for which you properly accelerate under this note.

If my right to receive money from you is also owned by someone who has not agreed to pay this note, your rights of set-off will apply to my interest in the obligation and to any amount you could withdraw on my sole request or endorsement. Your right of set-off does not apply to an account or other obligation where my rights are only as a representative. It also does not apply to any Individual Retirement Account or other tax-deferred retirement account.

You will not be liable for the dishonor of any check when the dishonor occurs because you set off this debt against any of my accounts. I agree to hold you harmless from any such claims arising as a result of your exercise of your right to set-off.

DEFAULT - I will be in default if any one or more of the following occur: (1) I fail to make a payment on time or in the amount due; (2) I fail to keep the Property insured, if required; (3) I fail to pay, or keep any promise, on any debt or agreement I have with you; (4) any other creditor of mine attempts to collect any debt I owe him, through court proceedings; (5) I die, am declared incompetent, make an assignment for the benefit of creditors, or become insolvent (either because my liabilities exceed my assets or I am unable to pay my debts as they become due); (6) I make any written statement or provide any financial information that is untrue or inaccurate at the time it was provided; (7) I do or fail to do something which causes you to believe you will have difficulty collecting the amount I owe you; (8) any collateral securing this note is used in a manner or for a purpose which threatens confiscation by a legal authority; (9) I change my name or assume an additional name without first notifying you before making such a change; (10) I fail to plant, cultivate and harvest crops in due season; (11) any loan proceeds are used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 C.F.R. Part 1940, Subpart G, Exhibit M.

REMEDIES - If I am in default on this note you have, but are not limited to, the following remedies:

(1) You may demand immediate payment of all I owe you under this note (principal, accrued unpaid interest and other accrued unpaid charges).

(2) You may set off this debt against any right I have to the payment of money from you, subject to the terms of the "SET OFF" paragraph herein.

(3) You may demand security, additional security, or additional parties to be obligated to pay this note as a condition for not using any other remedy.

(4) You may refuse to make advances to me or allow purchases on credit by me.

(5) You may use any remedy you have under state or federal law.

(6) You may make use of any remedy given to you in any agreement securing this note.

By selecting any one or more of these remedies you do not give up your right to use later any other remedy. By waiving your right to declare an event to be a default, you do not waive your right to consider later that event a default if it continues to happen again.

COLLECTION COSTS AND ATTORNEY'S FEES - I agree to pay all costs of collection, replevin or any other or similar type of cost if I am in default. In addition, if you hire an attorney to collect this note, I also agree to pay any fee you incur (unless a court limits or prohibits by law). To the extent permitted by the United States Bankruptcy Code, I also agree to pay the reasonable attorney's fees and costs you incur to collect this debt as awarded by any court exercising jurisdiction under the Bankruptcy Code.

WAIVER - I give up my rights to require you to do certain things. I will not require you to:

(1) demand payment of amounts due (presentment);

(2) obtain official certification of nonpayment (protest); or

(3) give notice that amounts due have not been paid (notice of dishonor).

I waive any defenses I have based on suretyship or impairment of collateral.

OBLIGATIONS INDEPENDENT - I understand that I must pay this note even if someone else has also agreed to pay it (by, for example, signing this note or a separate guarantee or endorsement). You may sue me alone, or anyone else who is obligated on this note, or any number of us together, to collect this note. You may without notice release any party to this agreement without releasing any other party. If you give up any of your rights, with or without notice, it will not affect my duty to pay this note. Any extension of new credit to any of us, or renewal of this note by all or less than all of us will not release me from my duty to pay it. (Of course, you are entitled to only one payment in full.) I agree that you may at your option extend this note or the debt represented by this note, or any portion of the note or debt, from time to time without limit or notice and for any term without affecting my liability for payment of this note. I will not assign my obligation under this agreement without your prior written approval.

CREDIT INFORMATION - I agree and authorize you to obtain credit information about me from time to time (for example, by requesting a credit report) and to report to others your credit experience with me (such as a credit reporting agency). I agree to provide you, upon request, any financial statement or information you may deem necessary. I warrant that the financial statements and information I provide to you are or will be accurate, correct and complete.
