Reference: Year End Report (7/1/01-12/31/01)

Dear Mr. Krebs:

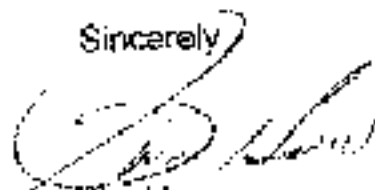

The above referenced report raised questions by your office concerning the administrative expenses of the Armenian American Political Action Committee. Our PAC is a small PAC with no employees, offices, utilities, telephone service, office equipment or supplies.

Volunteers donate the administrative costs and miscellaneous postage, etc.. The only reportable contributions for such services have been reported as In-Kind Contributions by the undersigned. I estimate the value of the services I provide and report those on the quarterly reports.

Our report also contained two transactions that appeared to be a redesignation and/or reattribution. As we discussed via telephone, these were simply items that should not have been reported. I filed an amended report this date and received a new FEC # of FEC-64277.

We regret our reporting was such that it created questions regarding our report. If you have any further questions regarding these issues please let me know. My telephone number is: 940/382-5567.

Sincerely

Jim Horn
