Reference: Year-End Report (7/11/17-12/31/17)

Dear Mr. McQueen:

The National Republican Trust PAC (FEC ID# C00455378) is in receipt of your letter dated May 13, 2018 with respect to the Year-End Report. Please accept this Form 99 as our response to the FEC's request for additional information.

The debts associated with Diener Consultants that were listed on Schedule D of the Year-End Report are from the 2012 election cycle. At that time, the vendor performed a series of projects for the PAC and was paid \$7,203.89 on 3/2/11 and \$11,722.78 on 8/24/11 for those services.

The debt entry in question was for a PAC email communication during this same time period that the Committee believes was not performed, as agreed upon. And, in the last known contact with the vendor several years ago, the vendor did not believe any amount was due.

There is also a second entry listed on Schedule D for this vendor from the 2012 election cycle (\$719.50), where no invoice was ultimately received. Given the aforementioned circumstances, the Committee does not believe an amount is owed and will similarly remove this entry on the next regular filing.

Sincerely,

Scott Wheeler
Treasurer
