RE: Year-End Report (07/01/2017 - 12/31/2017)

Dear Kaitlin Seufert,

This is my response to your May 31, 2018 letter to NARFE-PAC's Treasurer. In 2017, we made errors regarding the classification of campaign contributions between primary elections versus general elections in our reports to the FEC.

We have taken the following remedial actions.

1. We were informed that our \$3,000, December 11, 2017, contribution to Heidi for Senate was redesignated by the campaign to comply with the law. We will amend our 2017 Year-End Report to as follows: \$2,000 for the primary election, and \$1,000 for the general election.
2. We were informed that our \$1,000, June 26, 2017, and our \$1,000 September 27, 2017 contributions to Friends of Don Beyer were redesignated by the campaign to comply with the law. We will amend our 2017 Mid-End Report to as follows: For the June 26, 2017 contribution, \$500 for the primary election, and \$500 for the general election. We will amend our 2017 Year-End Report to as follows: \$1,000 for the general election.
3. We were informed that our \$2,500, December 11, 2017, contribution Rob Bishop for Congress was redesignated by the campaign to comply with the law. We will amend our 2017 Year-End Report to as follows: \$1,500 for the primary election, and \$1,000 for the general election.
4. We were informed that our \$2,500, December 20, 2017, contribution to Anthony Brown for Congress was redesignated by the campaign to comply with the law. We will amend our 2017 Year-End Report to as follows: \$2,000 for the primary election, and \$500 for the general election.

Thank you.
