This expenditure utilizes a \$10,000 marketing credit with the vendor that was contributed by a donor for the purpose of making this Independent Expenditure. The credit purchased an allocation of discounted rate advertising that will run variably over a period time from as early as June 24, 2011 to as late as December 31, 2011 based on availability of discounted space from the vendor. Consequently, the exact date of each distribution of the Independent Expenditure may not be determined in advance. After consulting with FEC RAD, and in order to avoid a failure to file this 48-hour report upon completion of the 10,000th dollar of advertising, this 48-hour report is being filed in advance upon execution and fulfillment of the payment terms of the vendor contract.
