Reference: October Quarterly Report (7/1/2018-9/30/2018)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days and include a pre-addressed return envelope. This follow up does not request any additional monies and again informs the person of the federal requirement for requesting this information. Once we receive this information, it is added to our database and included in amended reports filed with the commission and subsequent reports going forward. The RFAI pointed out several employer/occupation entries that were partial and/or unacceptable. We have reviewed our Employer/Occupation data and made corrections to each unacceptable entry.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Paul Kilgore, Treasurer
