Report (10/1/01-10/31/01), received 12/6/01

Dear Mr. Meng:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 discloses contribution(s) to Chuck Hendrickson for debt retirement with no election designation. Please note that a committee may only designate contributions to retire a candidate's debt if those debts exist for that election. Thus, for future reporting purposes, it is in your committee's interest to designate the appropriate election for the debt retirement in order to avoid the appearance of impermissible contributions made to federal candidates by your committee for debt retirement.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
