Dear Ms. Adams

RE: TN Republican Party Federal Election Account  
Victory 98  
FEC Identification Number C00040220  
Amended December Monthly Report (11/1/03 - 11/30/03) received 2/6/04

We received your letter dated March 24, 2004 in which you questioned the amounts we disclosed as being spent on administrative expenses for the first half of 2003. Those expenses had been paid entirely by our non-federal account. Our amendment indicated the amount of \$35,800.00 as being the federal portion of the administrative expenses for the above referenced period.

We have transferred the above referenced amount from our federal account to our non-federal account last week. That transfer will be disclosed on our FEC report for the month ending April 30, 2004.

Sincerely,

L. Stuart Dungan
