Good afternoon. I am writing in response to a letter received indicating that the First Colonies Anesthesia Associates LLC Political Action Committee qualified as a multi-candidate PAC (ID #C00416305).

Please be advised that this PAC does not qualify as a multi-candidate PAC and federal contributions cited in discussion with Chris Morse were clerical errors from inputting into the eFile system.

I am verifying now if there have been any federal candidates besides Andy Harris, but our belief is all contributions were state level candidates and not federal candidates (other than Andy).

Please advise if further action is necessary on our part.
