Mr. Jones,

I am writing in response to your letter dated April 4, 2007. I spoke to you on the phone on April 11, 2007.

Secure America's Majority PAC is located at my home address. SAM PAC purchased the computer, printer, office supplies and paid for the programs needed on the computer. I do the work on a volunteer basis. Because of this, there are very few operating expenses.

Sincerely,

Sue Renshaw
