Identification Number: C00179408

Reference: October Quarterly Report (7/1/02-9/30/02)

Dear Ms. Dechant:

On December 31, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 7, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-Schedule A supporting Line 11(c) of your report discloses a payment(s) from a federal candidate committee(s) for goods and/or services provided by your committee. 11 CFR §100.7(a)(1)(iii)(A) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.7(a)(1)(iii)(B)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided to the federal candidate committee(s) and explain the steps your committee took in determining

the amount(s) charged. If your committee provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by your committee to the federal candidate committee(s) and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.7(a)(1)(iii)(A))

An adequate response must be received at the Commission by February 12, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Kristen Davis on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.
