Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

1. Schedule H4 of your report discloses a disbursement(s) to "Fortune Media Inc." which is categorized as an administrative expense. However, the ratio you have used for this disbursement is inconsistent with the ratio disclosed on Schedule H1. Please amend your report to clarify this apparent discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
