The Committee is amending this report due to a duplicate records for donors found and merged in the database. These duplicates are in part due to different addresses provided by the donors for online contributions - some because they have more than one home and others because the billing address is different for their credit card than their home address. These merges forced the donors to become itemized from their previously reported contributions. This amendment corrects the totals on Schedule A for Line 11ai and 11aii as well as the totals on the Detailed Summary Page.
