REFERENCE: AMENDED 30 DAY POST-GENERAL REPORT (10/15/2020 ? 11/23/2020), RECEIVED 02/19/2021

To Whom it May Concern:

This letter is in response to the Commission's letter dated April 15th, 2021 regarding PACRONYM?s Amended 30 Day Post-General Report (10/15/2020 ? 11/23/2020).

During a review of PACRONYM?s records while preparing the Amended Post General Report, it was determined that, due to data entry errors, multiple debts were reported that had been paid during the reporting period or before and multiple debts that were improperly recorded as negative balances. We amended the originally filed Post-General report to correct these negative balances and apply payments against their corresponding debts.

The following payments were offset against debts and make up the bulk of the change in question:

- Lockwood Strategies - \$14,729.00 - 10/23/20
- Lockwood Strategies - \$626.25 - 11/23/20
- Lockwood Strategies - \$559.38 - 11/23/20

Additionally, as part of correcting these errors, we amended the amount of debt owed to State Made and Lockwood Strategies to more accurately reflect the actual amounts owed to the respective vendors. These changes added \$187.89 of total debt owed to States Made and \$363.57 of total debt owed to Lockwood Strategies across multiple transactions. In total, the above changes correspond to the decrease in debt between the two reports.

Sincerely,

Vernon Gair  
Treasurer
